### **AFFIRMATIVE DEFENSES**

1. The Complaint, in whole or part, fails to state a claim or cause of action against NPC upon which relief can be granted.

2. Venue is inconvenient to the parties in the United States District Court for the Southern District of New York, and this matter should be transferred to an appropriate jurisdiction.

3. The doctrines contained in Restatement (Second) of Torts § 402A, Comment K, bar plaintiff's claims against NPC in whole or in part.

4. The doctrine(s) contained in Restatement (Third) of Torts, Product Liability §§ 4 and 6, bar plaintiff's claims against NPC in whole or in part.

5. Applicable statutes of limitations or repose bar plaintiff's claims in whole or in part.

6. Plaintiff's misuse or abnormal use of the products or failure to follow instructions bar the plaintiff's claims in whole or in part.

7. The alleged injuries to plaintiff were proximately caused by the misuse, abuse, alteration, and/or failure to properly utilize, maintain, or care for the product by persons other than NPC.

8. If plaintiff used a product sold by NPC, then plaintiff's claims are barred, in whole or in part, because plaintiff assumed the risks disclosed by the product labeling, by the prescribing physicians, or by other persons or entities.

9. Any alleged negligent or culpable conduct of NPC, none being admitted, was so insubstantial as to be insufficient to be a proximate or substantial contributing cause of plaintiff's alleged injuries.

10. If plaintiff used a product sold by NPC, plaintiff used the product for "off-label" purposes, which bars the plaintiff's claims.

11. The "learned intermediary" doctrine bars plaintiff's claims.

12. Plaintiff's claims are barred, in whole or in part, because the products at issue were designed, manufactured, marketed and labeled with proper warnings, information, cautions and instructions, in accordance with the state of the art and the state of scientific and technological knowledge.

13. Plaintiff's claims are barred, in whole or in part, because the labels and information accompanying the products at issue were approved by the U.S. Food and Drug Administration or other appropriate regulatory agencies.

14. Plaintiff's claims are barred, in whole or in part, because the pharmaceutical products at issue were approved by the FDA.

15. Plaintiff's claims are barred, in whole or in part, because the products at issue were not defective or unreasonably dangerous in that they complied with, at all relevant times, all applicable government safety standards.

16. Plaintiff's claims are preempted, in whole or in part, by applicable federal law relating to the design, testing, producing, manufacturing, labeling, distributing, modeling, processing, and supply of Aredia<sup>®</sup> and/or Zometa<sup>®</sup>.

17. Plaintiff's claims are barred, in whole or in part, because plaintiff's injuries, if any, were the result of conduct of plaintiff, independent third parties, and/or events that were extraordinary under the circumstances, not foreseeable in the normal course of events, and/or independent, intervening and superseding causes of the alleged injuries, including but not limited to plaintiff's pre-existing medical conditions.

18. If plaintiff suffered injury or damages as alleged, which is denied, such injury or damage resulted from acts or omissions of persons or entities for which NPC is neither liable nor responsible or resulted from diseases and/or causes that are not related or connected with any product sold, distributed, or manufactured by NPC. Such acts or omissions on the part of others or diseases or causes constitute an independent, intervening and sole proximate cause of plaintiff's alleged injury or damages.

19. Plaintiff's claims are barred, in whole or in part, because plaintiff's alleged injuries, if caused by Zometa<sup>®</sup>, which is denied, were the result of plaintiff's own idiosyncratic reactions.

20. Plaintiff failed to mitigate, which limits plaintiff's damages, if any, in whole or in part.

21. Zometa<sup>®</sup> was fit and proper for its intended purposes and the social utility of the drug outweighed any possible risk inherent in the use of the product.

22. NPC has no legal relationship or privity with plaintiff and owes no duty to plaintiff by which liability could be attributed to it.

23. The claims of plaintiff should be diminished in whole or in part in the amount paid to plaintiff by any party or non-party with whom plaintiff has settled or may settle.

24. Plaintiff's claims are barred, reduced and/or limited pursuant to applicable statutory and common law regarding limitations of awards, caps on recovery, and setoffs.

25. NPC made no warranties of any kind, express or implied, or any representations of any nature whatsoever to plaintiff. If any such warranties were made, whether express or implied, which NPC specifically denies, then plaintiff did not rely on any such representations or warranties and/or failed to give notice of any breach thereof.

26. Notwithstanding the claims and contentions of plaintiff, plaintiff received all or substantially all of the benefit from the products that he hoped and intended to receive, and, to that extent, any damages and/or restitution that plaintiff might be entitled to recover from NPC must be correspondingly reduced.

27. Plaintiff's causes of action are barred in whole or in part by plaintiff's own contributory/comparative negligence.

28. Plaintiff's recovery, if any, shall be reduced by those payments that plaintiff receives from collateral sources.

29. If plaintiff has been injured or damaged, no injury or damages being admitted, such injuries were not caused by an NPC product.

30. NPC hereby gives notice that it intends to rely upon such other defenses as may become available or apparent during the course of discovery and thus reserves its right to amend this Answer to assert such defenses.

WHEREFORE, Defendant NPC demands judgment in its favor and against plaintiff, dismissing plaintiff's Complaint with prejudice, together with the costs of suit and such other relief as the Court deems equitable and just.
